PROFILE

Urban Designer – Architect with a **Master's in Urban Design** from **CEPT University**, with **4+ years of experience** across master planning, urban design, infrastructure systems & project delivery. Skilled in developing **context-responsive design solutions**, statutory documentation, tender processes, regulatory proposals & navigating complex planning requirements to deliver **clear, practical, & implementable outcomes**.

WORK EXPERIENCE

INI Design Studio | Urban Designer

Bengaluru / Ahmedabad MAY 2026 – PRESENT

- Adani University, Ahmedabad:** Worked on developing iterations the campus masterplan, including spatial and programmatic structuring, movement networks, and integrated public-realm strategies.
- Godrej Properties, Nagpur and Talegaon:** Prepared plot cut sheets for the **plotting scheme**, supporting its documentation of the development, developed landscape intent for open spaces.
- Tata Institute of Fundamental Research, Hyderabad:** Designed **paving patterns for boulevards** contributing to the **streetscape character & pedestrian experience**.

Shashi Prabhu & Associates | Urban Designer

Mumbai JUL 2024 – OCT 2025

- IIM Mumbai | 65-acre campus redevelopment:** Developed master planning & tender bid presentations; prepared coordinated MEP utility design for road infrastructure, EPC tender documentation, & municipal layout approval drawings.
- IIT Dhanbad | 200-acre brownfield campus:** Formulated Urban Design Guidelines addressing land use, zoning, movement networks, public realm & campus development strategies.
- Bengaluru Sports City | 20-acre site:** Designed masterplan & conceptual design for an inclusive sports city focused on Paralympic sports, training, & accessible recreational infrastructure.
- MSRTC | 12 sites across Maharashtra:** Conducted master planning, market studies, & **FSI feasibility studies** for bus stations & depots under a PPP development model.
- Additional Projects: Prepared DPRs for fisheries infrastructure upgrades for **25 sites in Fisheries Department Goa**, Assisted in bid management for **GSID – Commonwealth & Olympics Sports Complex**, concept design for **Chicago Cricket Stadium**, design development for **Breach Candy Club**.

Studio Nirmaan | Independent Practice

NOV 2021 – JUN 2025

- Led end-to-end design & project management** of two 2BHK residences & a 1,000 sq. ft office, **managing the team** & overseeing planning, vendor coordination, civil works, & on-site execution.

Directorate of Urban Land Transport | Planner Intern

Bengaluru MAY 2023 – JUL 2023

- Assessed **Local Area Mobility Parameters (LAMP)** & **Safety Audit** around two proposed **Transit-Oriented Development** zones, analysing survey data & developing placemaking & mobility solutions.

Pre-Master's Architectural Experience

MAY 2020 – OCT 2021

Rathin Goghari Architects, Ahmedabad & Rudiments Architects, Vijayawada

- Developed detailed architectural and interior drawings and supported site execution across residential, institutional, retail, and healthcare projects, gaining experience in design development, documentation, detailing, and project coordination.
